

Telephone Authorization

Dear Patient:

We will notify you of all your laboratory test including x-ray, blood work, Pap test, etc. This process takes approximately two weeks.

Results will be sent to you via NEXT MD personally from your physician. Please make sure you are enrolled in this program in order to make sure you receive your results without delay. Results will also be available on an Automated Results Line, with a personal message left by your physician or staff.

Please wait two weeks from you test or office visit before you contact our office if you have not received your results, unless specifically instructed to call sooner by the doctor.

**If indicated, we will contact you sooner by phone regarding results and/or follow-up instructions.

Please initial here _____ I authorize the physicians and/or staff to leave messages on my answering machine, voice mail, or through an e-mail (secured to me only).
